

## Reception Class Home Learning Activities

Week beginning 13<sup>th</sup> July 2020

**You have made it to the final week of the school term!** Well done to all of you for the work you have put in to your child's education. I hope you have found some of the ideas helpful and managed to engage in your favourites. For the last time, here are your recommended websites and other suggestions.

Take care, have a lovely holiday and see you in September.

Mrs Ives 😊

- <https://www.thenational.academy/online-classroom/reception#schedule>  
On the Oak Academy you will find 3 lessons per day. Access these by clicking on Classroom, Schedule then Reception. You will also find assemblies and clubs.
- <https://www.oxfordowl.co.uk/please-log-in> Go to 'my class log in' and enter mrs Ives SMS1 You can access lots of ebooks which can keep your child reading at their level.
- <https://whiterosemaths.com/homelearning/early-years/> Look in the Early Years section for activities.

**I have also updated some final Purple Mash activities.**

**Remember to watch the Ruth Miskin ReadWriteInc sessions on Youtube – set 2 sounds**

Some other ideas for this week

### Summer activities

- Draw a picture of somewhere you would like to spend a holiday. It can be a real or imagined place.
- Draw a picture of a flower with 10 petals. Colour 5 of them red. How many petals have you got left? Choose a different colour for these petals. Have a go at drawing flowers with different numbers of petals. Colour half one colour and half another. Perhaps you can make a repeating pattern?
- Can you think of 5 words that begin with the letter S? Draw a picture of each one and write the word underneath.
- Summer is a great time for a picnic. Can you make some tasty sandwiches or perhaps bake a cake? Have a picnic with your family. You can even do it indoors if it rains!
- A fun thing to do on a sunny day is have a water fight! See how long you can stay dry before someone soaks you.
- Have a go at making your own flavoured ice lollies or ice cubes to enjoy on a sunny day.
- Go for a walk on the shore in Workington or perhaps on the beach at Allonby. Can you find any shells or see any sea creatures in the rock pools? Can you have paddle in the sea?
- It is a good time of year to plant some flowers seeds. What can you grow? Remember to water your seeds and keep them somewhere warm and sunny.
