

## Reception Class Home Learning Activities

Week beginning 18<sup>th</sup> May 2020

Please find below some home learning activities that you could try this week. As always, these are suggestions. The well-being of your family comes first.

- <https://www.thenational.academy/online-classroom/reception#schedule> Here you will find 3 lessons per day in Maths, English and Foundation (Topic).
- [www.bcbitesize.co.uk](http://www.bcbitesize.co.uk) New lessons are added each weekday

Thank you for handing in Purple Mash activities and playing the games set. I will continue to update them when I can see some of you have had a go. If you have any questions please email me via the Purple Mash website and I will get back to you.

Have a lovely week and stay well and safe. Mrs Ives 😊

Some other ideas for this week

### Reading and Writing

Read some stories from the Oxford owl website. Remember, your log in details are mrs Ives SMS1

Don't forget to watch the Ruth Miskin Read Write Inc sessions on Youtube. Check our Facebook page for details. We will be using this programme in school from September.

Can you write words to match these pictures?

Write your full name, using a different colour for each letter. Don't forget to use capital letters for the initial sounds.

### Other areas

Try using different types of materials and simple tools. Use playdough to knead and model. Thread beads onto laces and use child safe scissors, paintbrushes, crayons, hole punches and lego.

Play board games such as snakes and ladders with your family. Remember to take turns and follow the rules.

Try and help out with some jobs in the house. Can you make your own bed? Help with the washing up? Tidy your toys away?

### Maths

There are some great Maths activities for each day on the White Rose Maths website

<https://whiterosemaths.com/homelearning/early-years/>

Can you build a tower of blocks as tall as you? How can you make it balance?

Draw circles on a piece of paper and write numbers between 1 and 20 inside the circles. Dip your finger in some paint and add the correct number of petals to each flower. Fill up your page with colourful flowers, each with a different number of petals.
